Design Uniformity

Easily elevate the look of your sign program through Uniformity, to achieve a clean, aesthetically-pleasing appearance that will impress for years to come. Follow CPC's Design Standards and utilize the uniform shapes, design styles, colors, fonts and mounting systems for your entire sign program.

Sign Reflectivity & Substrates

Custom Products utilizes durable DOT Grade raw materials on most of our signage to ensure a time tested, proven performance. 3M High Intensity Prismatic (HIP) Reflective Sheeting and .080" thick aluminum are our most common substrates but others are available by special quote. Also, many of our unique mounting systems allow the option of a double-sided sign.

Sign Sizes

Signs are available in a multitude of sizes for all scale applications from a single letter or number to large signs for identification and navigation.

Sign Shapes - Standard & Contoured

Create a distinctive look for your system by choosing a standard sign shape or a contoured shape from one of our 31 routed shapes.

Sign Legends

Utilize a mixture of standard, semi-custom and custom legend signs (CLS) to build your comprehensive branding program quickly without the need to re-invent common and standard legends. This not only saves you time, but money allowing you to get the most out of your budget.

Sign Fonts

CPC's preferred sign font is Highway Gothic. This standard highway font offers maximum visibility and legibility at a distance and at higher speeds.

Already have an established font? Or looking for something different or fancy? CPC can design your signs with many other fonts, by request. Not sure what font to choose? Contact us, we can help!

Sign Logos

Show pride in your business or community by adding your logo to any sign. Don't have a logo? Ask about an icon to add some pizzazz to your sign such as a star, heart, leaf, tree, seashell, animal, etc.

NOTE: Please visit www.cpcsigns.com/artwork-guidelines.php for information on logo requirements and design service fees for non-production ready artwork.

Sign Backers

We got your back...Don't let that single sided sign back go unfinished. Complete the look by adding a Sign Backer to your single-sided sign. Choose from premium quality Steel Frames, Aluminum Plates or Vinyl Laminate backer options to put the finishing touch on your signs.

3M Matched Component System

The use of 3M's Matched Component System insures your investment. When signs are created with high quality 3M sheeting and components, the sign performance is backed by 3M warranties. The MCS guarantees that signs will remain effective for their intended use and meet minimum values for retroreflection for the specified warranty period. The use of any non-3M materials in conjunction with 3M products will void all warranties.
